ABOUT US

There's a universal thrill in smelling extraordinary in turning heads, drawing compliments, and leaving an unforgettable trail. If you're like us intensely enamored with fragrance and ever in motion welcome to **Long Boat**.

We are artisans of allure, a fragrance house devoted to crafting exquisite, worldclass perfumes that feel sublime and scent the air with elegance.

Our creations are meant to enthrall, to elevate your presence from dawn to dusk and beyond. Infused with the finest imported perfume essences from France, each elixir is meticulously composed with an unrelenting passion for freshness and sophistication. Luxury, to us, is not distant or exclusive it's a sensorial experience made accessible to all, a treasure that everyone can carry with grace.

From our home in Mumbai, we lead with a contemporary spirit, that resonates with curious, discerning souls. Every bottle is a labour of love, a harmonious tapestry of rare ingredients that evokes evocative memories and transports you across time and tide a poetic bridge from French refinement to Indian heart.

We invite you to wander through our collection of eau de parfums modern in their elegance, singular in their identity, and profound in the experiences they unfold.

Long Boat is more than fragrance; it is an ode to individuality, a celebration of seasons, occasions, desires, and the art of being unforgettable.
